Awards all round!

Traditionally May time sees the club run award presentations for its players. This year was no exception. Parents and family members enjoyed a successful Mini section presentation day on a rare sunny Sunday afternoon at Moss Farm on May 23rd and over 180 people attended the Senior awards night at the Fourways Inn on May 28th. More photographs of the events and details of the winners for both the [Mini](#) and [Senior](#) events are on the club web site. Thanks to everyone for making this year the most successful ever for the club.

Try Rugby Day entertained more than 50!

The club held another successful **Try Rugby Day** during the Whit holidays. Attendance again rose past fifty with children aged from school years 1 through to 8 participating. Such was the rise in the number of girls attending they were able to enjoy a **girls only** section lead by Karen Gooch and Rachel Phillips from the Ladies team. The girls were introduced to contact Rugby using pads and shields and eventually each other as they learnt the basics of the game. Many of the youngsters in the lower age range experiencing rucks and mauls as they progress to contact with younger children in school years 1 & 2 playing Tag games. The "Try Rugby days' have also featured in the RFU ezine publication Touchline see **May Edition**, and to date, the three days have seen 166 children attend with over half of these unregistered or new to the sport.

The next planned date is August 27th at Moss farm, to find out more about the days, to book your place please contact Ian Grassby by email at igrassby@northwichrufc.co.uk
