JOHN BLOWER TRUST

SPONSORSHIP FORM

On the 6th December 2003, John Blower (44) from Winnington, Northwich was rushed to the Spinal Injuries unit at Southport with a broken neck after a scrummage collapsed on him while playing for Northwich Rugby club against local rivals Warrington. He is now permanently paralysed from the shoulders downwards and will never be able to walk again.

This freak accident has left a community deeply saddened and his wife and three teenage children devastated. However despite his injuries, John remains unbelievably positive. It has been confirmed that John will not be able to return to his home, or to his job due to his level of disability.

The **JOHN BLOWER TRUST** has now been established with the specific aim to generate £150,000 in voluntary contributions within 2004. This will provide John and his family with short-term financial support. As a priority, and longer term the Trust will be looking to provide John with financial security and a home suited to his disability and designed to provide an adequate level of comfort.

If you can help in any way please do not hesitate to contact the Trust using the details below. Any donations should be sent to the **JOHN BLOWER TRUST**, cheques should be crossed and made payable to the 'N.R.U.F.C. JOHN BLOWER FUND'.
