

# NORTHWICH RUFC - JUNIORS

News FLASH 1

23rd November 2003

## ENGLAND - WORLD CHAMPIONS

Congratulations to Clive Woodward and all the England squad on winning the WORLD CUP in a thrilling final that had us all on the edge of our seats.

The interest in rugby has never been higher, so remember to bring your mates to Northwich RUFC to experience the game for them selves.

### Xmas Parties.

It will soon be that time again when we hang up our boots for the festive celebrations. As is traditional at Northwich we try and organise events for all the family and this year we hope to be no different. Sunday 21st is our target date for all the Xmas celebrations.

U7's to U10's will have a party at Moss Farm and hopefully a visit from the man in red (assuming they've all been good this year).

U11's & U12's and U13's 14's and 15's are intending to go bowling at Winnington. We are in

the early stages of planning so more news as soon as we have it. Please let your coach know if your interested in coming.

For the adults we are holding aour traditional NOT NEW YEARS EVE bash at Hartford Legion on Sat 27th December, a great night in store there and on NEW YEARS EVE we will be holding our regular do in the club house. More info to follow as soon as we have it.

- Sale play Rotherham on Saturday 27th December, why not make a family / team outing for it. We get tickets at £12 Adults and £4 Kids and we get points to help our "KIT BACK" award from every person that goes.

## POWERGEN AWARDS, QUIZ AND SALES

SUNDAY 7th December after training / matches we will be holding the Powergen Awards ceremony for the U7's to U11's. This will also be a chance to meet the coaching staff and ask questions and also to peruse the Kit Shop , take a

look at the Videos and Books we have for sale and the great selection of Xmas Cards and Xmas Wrapping we have for sale. This has been donated by a local firm and all the profit from the sale of these goes straight to club funds. On

Wednesday the 10th at 7:30pm we will repeat the event for the U12's and upward plus we will also be holding a quiz night with a light supper. Please come along and support your club.
