

## November 27th Trafford Metrovics U9's vs Northwich U9's

Game 1	Trafford	5-0	Northwich
Game 2	Trafford	7-1	Northwich

### Game 1

Trafford 5 Northwich 0

Today's visit to Trafford saw a very good turnout with thirteen players featuring over the two games played.

Despite the score Northwich performed well with only little errors letting them down in vital passages of the play which resulted in tries from Trafford. Overall the defence coped well with the Trafford attacks, with Ben and Ross making strong and vital tackles.

### Game 2

Trafford 7 Northwich 1

The second game followed a similar pattern to the first, again some excellent tackles from Ross getting injured in the process. Possession in this game was more even, although the ball was given away lightly in the tackle at times. On the positive side, there were some good solo runs from Lloyd and Lewis Stanley and a great solo try from Max.

Tries scored by Max (1)

It is obvious that the kids are enjoying playing together and overall the team show signs of development which further coaching will realise.
