For the 2007-8 season Northwich Girls section have joined forces with Sandbach Rugby club to field U15 (Years 8, 9 & 10) and U18 (Years 11, 12, 13) girls teams. Matches and training sessions are arranged to rotate between the two clubs to encourage girls from both mid and south Cheshire to join the teams, learn rugby and take part in regular matches. Although girls can also join in with Women's rugby training on Tuesday nights at Moss Farm.

Taster Session February 17th

We are organising a special Taster session for High School girls on February 17th at Moss Farm. Open to all abilities, the session will include coaching and fun activities to help you learn more about rugby skills and playing in games. Afterwards Northwich U15's have a match with their great rivals Tyldesley of Lancashire. Why not come along and bring your friends and have a great Sunday with us down at Moss Farm?
