_____

Notes. Please include players names in report.

e.g The Under 11's got back to winning form with a fine performance with three tries to one. Good performances from newcomers Phil Williams and Edward Brocklehurst in the forwards helped Northwich to keep the pressure on the Wirral team. Tries came from the quick reactions of Phil Williams after winger Jack Thompson had been brought down near the line, and from a typical bull dozing run from Chris Bridle, but try of the season came from fly half James Underhill who dummied the Wirral attack and then outpaced Wirral in a run three quarters of the length of the field.

Please hand the completed report into the club office or hand to Kevin Jones after the matches on Sunday, or send by email to juniorscores@northwichrufc.co.uk Reports must be sent to local newspapers (Guardian & Chronicle) on Sunday night for inclusion in the mid week editions.
